THEY ARE FOCUSED

IN LITIGATING

100 cases filed by progressive special interests since 2008

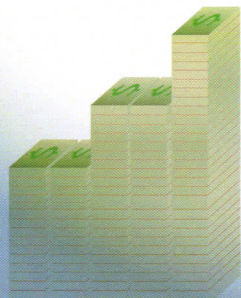

3 cases filed by pro-liberty interest groups—all by True the Vote.

90% of legal actions brought by progressive interest groups end in a positive outcome.

IN LOBBYING

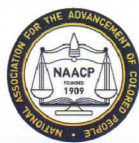

- Preventing photo voter Identification
- Extending early voting periods
- Supporting felon voting rights
- Promoting youth registration and mandatory initiatives inside schools
- Preventing citizenship verification
- Supporting same-day registration

IN FUNDING

Budgets of the anti-integrity groups exceeded

1.69 billion

Funding of just the "Democracy Initiative" is estimated to total **several hundreds of millions.**

March, 2013

George Soros' Open Society Foundation gave a \$1,000,000 grant to NAACP to fight voter ID laws nationwide.

WHY?

Because the Organized Left isn't playing to win free and fair elections
They are playing to end them.

BUT IT CAN BE DEFEATED WITH YOUR HELP

The way to end the Hydra is to attack the source of its strengths

We Are Prepared

We are not constrained by establishment party limitations

We Are Focused

We are making history in our research and litigation efforts

We Are Legion

We are growing in number, connecting with millions of fellow citizens who've had enough

We Will Not Stop

If we lose election integrity, nothing else will matter

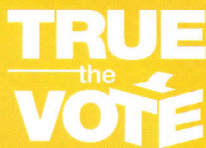

True the Vote is Leading America's Voters' Rights Movement

True the Vote's national volunteer program provides

- Year Round Efforts to Support Election Integrity, supporting hundreds of citizen led local groups across 35 states
- State Specific Election Training, equipping more than 50,000 volunteers in just 2012
- Voter Registry Search Tools, to review the more than 160,000,000 voter registry files we maintain
- Next Generation Voters, a program to activate up and coming new voters
- Voto Honesto, to support the emergent community of Latino voters and register newly naturalized citizens
- Field Support for Poll Watchers, Researchers, and Advocates, to ensure we keep up the fight

THE HYDRA IS COMING.

**There is not much time left.
We can still DEFEAT it, but we NEED your help.**
